Dear Participants,

It was indeed heartening to see the sincere efforts that all of you had put to make your website in such a short period. This went a long way in bringing the sites to a state of readiness for the launch yesterday. To me, it is a good beginning but we have miles to go together.

2. I must say that you are real 'Master Trainers' even without a formal certification. However, for awarding a formal Certification process will need to followed. The structure of the evaluation as earlier communicated would be 25 marks for the assignment which most of you have submitted and 75 marks for the online evaluation. The online evaluation will be a combination of Website related questions and online activity on Standardised Website Development.

Dates: **20-21 Sept 2016 (11 am -4 pm)**

Venue: Assam Administrative Staff College

3. The Certified Master Trainers will be awarded '**ePrastuti Master Trainer Certificate**' and will be selected for an '**Advanced Certification Programme**' (residential) at IIT Guwahati , in Oct-Nov 2016.

For any queries regarding the evaluation programme , you may send the mail to tapan.gogoi@nic.in with copy to wdc.assam@nic.in and suchitra@nic.in.
